

**the tallulah wine list is designed so that as you work through each section the wines are listed from sweetest to driest and lightest to full-bodied.**

**you will notice we offer our wines by the glass in a half-bottle or “pichet” format as well as by the bottle. with a large selection of wines by the glass, a pichet is a nice way to venture into new wine territory without committing to a full bottle or one wine for multiple dishes!**

**in addition to the well-known standards, you will find many hidden gems made available to us in small allocations. peruse and enjoy!**

**cheers!**

**bubbles: perfect for any time, any occasion** **glass/bottle**

*“wine makes daily living **easier**, less hurried, with fewer tensions and more tolerance.”*

*–benjamin franklin*

*“i only drink champagne when i’m **happy**, and when i’m sad. **sometimes** i drink it when i’m alone. when i have company i consider it obligatory. i trifle with it if i am not hungry and drink it when i am. otherwise i never touch it, **unless i’m thirsty.**”*
