

the tallulah wine list is designed so that as you work through each section the wines are listed from sweetest to driest and lightest to full-bodied.

you will notice we offer all of our wines by the glass in a half-bottle or “pichet” format as well as by the bottle. with a large selection of wines by the glass, a pichet is a nice way to venture into new wine territory without committing to a full bottle or one wine for multiple dishes!

in addition to the well-known standards, you will find many hidden gems made available to us in small allocations. peruse and enjoy!

cheers!
